## FLYAWAY BUN

Baby hairs are your bun's new bae. Mist hair with texturizing spray all over, then pull strands up and coil them into a high, loose knot, letting the ends and wispy bits stick out.

## SLICK TAIL

When the greasy-root struggle is real, just embrace it and pull hair into a sleek low pony. Smooth any frizz with a dab of pomade.

**bonus tip**  
Scalp oil is most noticeable along the part line, so switch yours up before styling your pony.
