

## Inceptor Ing. Bc. Pavel Vařacha appraisal

Ing. Bc. Pavel Vařacha has demonstrated during his study very good performance in both domains of academic life, i.e. in teaching and research.

All research tasks has been done in time, properly published and accepted by scientific community.

Ing. Bc. Pavel Vařacha has published 21 publications on 16 conferences, 2 journals and 1 book.

Based on my personal experiences, I think that Ing. Pavel Vařacha is reliable person that is on a good level of research as well as on moral and ethical level.

I recommend Ing. Bc. Pavel Vařacha to final defense process of his thesis and after successful defense title Ph.D.
